The image shows a composite of two screenshots from the Ateneo de Naga University Library website. The top screenshot displays the library's homepage with the header 'ATENEO DE NAGA UNIVERSITY James J. O'Brien, S.J. Library'. A yellow navigation bar contains links: 'About Us', 'FAQ'S', 'Video/Promotion', 'Libraries', and 'Contact Us'. The main content area features a 'Welcome To The LIBRARY CATALOG' banner with a 'Search' button. Below this is a 'OneSearch' section with a search bar and filters for 'Full Text', 'Peer Reviewed', 'Catalog Only', and 'Available in Library Collection'. A sidebar on the left, titled 'Online Resources', lists 'Database per Program', 'AccessScience', 'Turnitin', 'EBSCOHOST', 'eBooks', and 'SCOPUS'. A large black arrow points from the 'EBSCOHOST' link to the bottom screenshot. The bottom screenshot shows the EBSCO Host login page, which includes a 'Login' form with fields for 'Patron ID' (containing 'gs3') and 'Password' (masked with dots). A 'Login' button is present. To the right of the login form is a circular collage of various database logos, including EBSCO, DynaMED, and others. Text on the page instructs users to contact their library administrator for a Patron ID and Password. The page also mentions 'Supported Browsers' and a 'Recommended minimum screen resolution: 1024x768'.

It will prompt the log in page for the database (*log ins are available via Chat-a-Librarian or at the Reference desk*)

Step 2

Step 3

SEARCH

related resources by typing your topic / keyword on the **FIND** field and click the search button. Then result list displays.

The screenshot shows the EBSCOhost search page. At the top, there is a navigation bar with links: Sign In, Folder, Preferences, Languages, Need help? Ask a librarian, and Help. Below this is a secondary navigation bar with links: New Search, Subjects, Publications, Company Information, and More. The main search area features the EBSCOhost logo on the left. In the center, there is a search box containing the text "Risk management in Business". To the right of the search box is a green "Search" button and a question mark icon. Above the search box, it says "Searching: eBook Academic Collection (EBSCOhost), Show all | Choose Databases". Below the search box, there are links for "Search Options", "Basic Search", "Advanced Search", and "Search History".

By default, you are directed to basic search page, you may also do advanced search engine

The screenshot shows the EBSCOhost search page with the advanced search interface. The search box still contains "Risk management in Business". To the right of the search box are two dropdown menus labeled "Select a Field (optional)", a green "Search" button, and a green "Clear" button. Below the search box, there are three rows of search criteria, each with an "AND" dropdown, a search box, and a "Select a Field (optional)" dropdown. To the right of these rows are plus and minus icons. Below the search criteria, there are links for "Basic Search", "Advanced Search", and "Search History". At the bottom, there is a "Search Options" section with a "Reset" button. This section is divided into two main areas: "Search Modes and Expanders" and "Limit your results". The "Search Modes and Expanders" section includes "Search modes" with radio buttons for "Boolean/Phrase", "Find all my search terms", "Find any of my search terms", and "SmartText Searching" (with a "Hint" link), and three checkboxes for "Apply related words", "Also search within the full text of the articles", and "Apply equivalent subjects". The "Limit your results" section includes checkboxes for "Full Text" and "References Available", and a "Published Date" section with dropdown menus for "Month" and "Year" (with a minus sign between them) and a "Scholarly (Peer Reviewed) Journals" checkbox.

Utilize search options and setting delimiters for faster and more reliable search results
